## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works  
Joe Whalen, Resident Engineer

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 7/17/2012

SUBJECT: Submittal of a resolution authorizing execution of notice of completion and acceptance for the Nacimiento Shores Road Repairs and Chip Seal, Contract No. 496R699002. District 1.

### **RECOMMENDATION**

It is our recommendation that your Honorable Board adopt the attached resolution, which authorizes the execution and acceptance of a notice of completion and acceptance for construction of Nacimiento Shores Road Repairs and Chip Seal, Contract No. 496R699002.

### **DISCUSSION**

On November 8, 2011, your Board awarded a road repair contract to Viborg Sand and Gravel Inc. in the amount of \$121,694.86. The contract provided for pavement repairs and a chip seal on Nacimiento Shores Road near Paso Robles, for a total length of approximately 1.9 miles. While the road is not in the County maintained system, the County has an interest in assuring that the roadway is kept in a traversable condition in order to provide emergency access from development within Oak Shores. The pavement repair and chip seal will provide for an extended service life of the roadway of up to 20 years.

Work on the project was completed on June 2, 2012.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

County Counsel approved the contract as to legal form and effect, and the bid opening was coordinated through the County Clerk-Recorder.

### **FINANCIAL CONSIDERATIONS**

This project is a multi-year project budgeted in County Service Area 7B budgeted at \$177,395. Now that the project is complete, the total project cost is estimated to be \$172,346.

Please see Exhibit "A" for an estimated cost breakdown.

A final report of actual project costs will be filed with the clerk after any and all claims, disputes, and adjustments have been resolved. We do not anticipate the final project cost to differ materially from the current estimated total. Ten percent (10%) of total contractor payments are held by the County and released only after meeting the legal holding period after the Notice of Completion is filed.

## **RESULTS**

By taking the recommended action, your Board will cause the legal Notice of Completion for this construction contract to be recorded, and start the period of time during which liens can be filed by subcontractors against the prime contractor. The completion of the project results in meeting the performance based budget objectives. This, in turn, will result in a safer and more livable community.

c: Dave O'Halloran, Construction Engineer  
Wendell Wilkes, Project Manager
